2 November 1984

Dear Jack,

Here is the information on   
the one I mentioned to you at the NSPG meeting  
this week as having been suggested as a possible  
NIO for General Purpose Forces. At that time  
you indicated you had a list of your own.

I would like to go ahead and get the right  
fellow for this post as soon as possible.

Yours,

*Bill*
